Vaccines required to board at Central Florida K-9

In order to keep our facility clean and free of pathogens, we sanitize and disinfect twice daily and throughout the day as needed.

Canine Influenza *At this time we are requiring the Canine Influenza Vaccine for all dogs. We will post updates to this policy as the outbreak in our area declines.

DHPP

Lepto

Rabies

Bordetella (within the past 6 months)

Current negative Fecal

Proof of heartworm prevention

Proof of flea and tick prevention

Things to Bring for Boarding

Treats (for training)....Please make sure they are small training treats

Food while pet is boarding

Bed: We supply Kuranda beds in the kennels. You may bring a bed from home, however be aware that being away from home and in a kennel environment may cause your dog mild anxiety, resulting in chewing and destroying the bed.

Any Toys you would like them to have while in their kennel (we do pull out any toys at night)
