Central Florida K9 Therapy Dog Application

Name:

Phone Number:

Email Address:

Name of Facility:

Desired way to contact you:

Therapy Dog is defined as: a dog that can provide emotional support and comfort to other people than its handler. They are not covered by the Americans with Disabilities Act (ADA) and do not have public access.

Therapy Dogs are often used in Schools, Hospitals, Nursing Homes and Courtrooms and have individual permission from these facilities to be used as a therapy dog.

Facility Information

What type of facility are you planning on taking your Therapy Dog to?

Do you have permission from the facility to use a Therapy Dog?

How often are you planning on visiting this facility?

What type of clients are you going to be working with, for example children in elementary school, geriatric clients in nursing home etc.

Dog Information

What kind of dog do you have? _____

How old is your dog? _____

How do you envision your dog providing support in a facility?

Are there any specific skills you would like the dog to know?

Central Florida K-9 Therapy Dog Application

Has your dog been exposed to children, if so what ages were they? _____

Has your dog been exposed to different places, people, surfaces, sounds, objects (bikes, cars, shopping carts etc.)?

Please give examples:

Has your dog shown fearful behavior (ears down, tail tucked, low body carriage, bolting behavior etc.) in any situation that you have observed?

Please describe and list how many occurrences:

Does your dog have any other behavioral concerns (aggression, anxiety)?

If there is anything you would like to share about you or your dog that would help us better serve you please explain below:

Will there be more than one handler for the dog?
