

CFK9 Expansion Update and Palmbay Closing Announcement

Central Florida K-9 is happy to announce renovations on our new **Training and Boarding Facility & Sports Complex** are well underway and we expect the new facility will be ready for our opening in just a few short weeks! We're grateful to each and every client who has contributed to CFK9's growth through their support and we're thrilled to now be able to expand our current offerings to include many things that simply haven't been possible at our Palmbay location due to the limited space. The multiple buildings and wide-open spaces at our new Eustis location will house and support the dog-sports opportunities that many clients have been asking for, training rooms to enhance rehabilitation training, areas for seminars and large sporting events and so much more!

We want to let you know it's been with much careful deliberation that we've decided to close the Palmbay location in order to keep our team together as we expand into these new, exciting opportunities. The last day for daycare at Palmbay will be Friday, March 27 and all boarding dogs will be transported to our new facility that weekend. Our first day accepting clients at 27101 County Road 44 A, Eustis, FL 32736 will be Wednesday, April 1st.

We look forward to seeing each of you at our new home, it's a beautiful short drive, within an hour of our current location. Once you come out to visit, you'll understand why we fell in love with the property and all it has to offer.

We'll keep you posted with more photos and updates as well as information regarding our soft opening and grand opening taking place later this summer.
