Phone Number:

Email Address:

Date of Birth:

Desired way to contact you:

The questions below are so we can best serve you and your individual needs. All information is confidential and will not be sold or shared with outside sources. Only members of our team that need to know for the dog's training will have access to the information.

A service dog is defined as: a dog trained in a minimum of two tasks that assist an individual with a disability with daily activities.

What is your primary disability?

Is there a secondary disability?

Does your disability affect your mobility? Please Explain:

What if any, what equipment do you use (walker, wheelchair etc.)?

Is your hearing or vision affected? Please Explain:

If you are deaf or hard of hearing do you use ASL and require an interpreter?

Are there any cognitive affects associated with your disability, if so, do they affect your judgement or memory?

Is your disability progressive? _____

How is your strength and reaction speed? (for example, can you react quickly enough to catch a ball? Can you lift a gallon of milk?)

Do you have fine and/or gross motor deficits? Explain:

Is your speech affected?

Do you have any therapy goals?

If there is anything else you feel we should know to better serve you? Please include below.

Central Florida K-9 Service Dog Application

Does your dog have any behavioral issues (aggression, fear, anxiety)?

Please explain in detail:

Do you have a fenced in yard?

Is your dog comfortable using a crate?

Do you have any other dogs/pets in your household?

Do you have a support system of family or friends that can provide you with assistance should your team need it to be successful?

Do you understand that training a service dog can take 6 to 12 months and will require training at home and in public to be successful once professional training has been completed?

Do you understand that ongoing training for the life of the team is required to maintain a service dog's skills and keep the dog comfortably working in public places?
